## *Application*

The purpose of the Anglican Use Society is to promote the usage of the liturgical practices contained in *The Book of Divine Worship* and evangelical outreach to members of the Anglican Communion seeking union with the Roman Catholic Church as provided in the special pastoral provision for the Anglican Use.

**Regular membership** in the Anglican Use Society is composed of clerical and lay members of the Roman Catholic Church who elect to apply for membership because they find the Anglican Spiritual tradition to be conducive to their own life of devotion and worship.

**Associate membership** is open to baptized Christians who are not in full communion with the Roman Catholic Church.

**Devotional Fraternities** endorsed by or affiliated with the Society are described in the *Handbook*.
